

“IT’S A COUNTRY CLUB FOR MOTORSPORT ENTHUSIASTS”

You will enjoy the camaraderie that will grow within the membership – it’s not about who is best on track, or who has the flashiest car, but about a group of like-minded people with a passion for fast cars, who have the desire for a safer environment to put their cars through its paces and are excited to have the priority use of Australasia’s premier motorsport facilities.

While any membership needs to have rules, we have two basic principles which apply to everything we do, “common sense must apply” and “it’s about using the membership not abusing it”. We’ve stuck to those principles across the membership and everyone is winning.

*“I just love it here, I'd never done any track driving before but got some driver training when I bought my car and I was hooked. I wish I'd done it 30 years ago, I drive my car to the track, have some fun, drive it home; It's that simple.”*

*“What would you choose? A nervous thrash on poorly maintained Kiwi back roads? Or having an environment like Hampton Downs to push your car and yourself at your own pace? It's a no-brainer in my books.”*
